*Application of Waste Management of Texas, Inc. For A Permit Amendment to
Expand A Type I Municipal Solid Waste Landfill Facility (Permit No. MSW-66B)***

Dear Mr. Trobman:

I have reviewed TJFA's exceptions to the Proposal for Decision issued on March 18, 2008; the Executive Director's response; Applicant Waste Management of Texas, Inc.'s Brief in Response; and TJFA's response. While I understand and respect the parties' positions, I do not recommend any changes to the PFD.

Applicant highlighted some typographical errors in the Proposed Order, and I do agree with those recommended changes:

Page 4, Finding 20	"Suite 502" should be deleted;
Page 7, Finding 32	"th" should be replaced with "the";
Page 9, Finding 37.b.	"ft/bgs" should be replaced with "feet below ground surface (ft/bgs);
Page 15, Finding 58.b.	The word "from" should be replaced with the word "form"; and
Page 30, Finding 143	The word "a" which appears between the words "As" and "statutory" should be deleted.

Sincerely,

Sarah G. Ramos
Administrative Law Judge
